Clovis Community College complies with all federal and state rules and regulations and does not discriminate on the basis of race, color, national origin, gender, disability, sexual orientation, religion or age. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities. Harassment of any employee/student with regard to race, color, national origin, gender, disability, sexual orientation, religion or age is strictly prohibited. Limited English speaking skills will not be a barrier at Clovis Community College to participate in Vocational Education programs. Inquiries regarding compliance and/or grievance procedures may be directed to the college's Title IX Officer and/or the Section 504/ADA Coordinator.

Clovis Community College

**Pharmacy Reserved  
Seat Agreement**

# CHSU

The Clovis Community College Reserved Seat Agreement (RSA) with California Health Sciences University provides a reserved seat to 20 highly-qualified Clovis Community College students each academic year who are interested in the Doctor of Pharmacy program at CHSU. California Health Sciences University was founded in 2012 and is the first university of its kind in the Central Valley. CHSU offers a local option for health care professionals seeking doctoral and continuing education programs to help remedy the shortage of health care services offered in the Valley.
