

On-Time Graduation Rate

On-Time Graduation Rate is computed based on the number of students who complete their PharmD degree within the normal 4-year time to degree out of the total original student cohort from the beginning of the program.

Class of 2018

*CHSU's College of Pharmacy's first cohort of student entered in fall 2014, so the On-Time Graduation Rate for this class will not be calculated until after their graduation in spring 2018.
