

State of California HEALTH AND HUMAN SERVICES AGENCY

DIANA S. DOOLEY
SECRETARY

January 4, 2017

Florence T. Dunn, President
California Health Sciences University
120 N. Clovis Avenue
Clovis, CA 93612

Dear President Dunn:

This letter serves to express my strong support for the California Health Science University's application for the creation of a new Osteopathic School of Medicine in Clovis.

It is well known that the Central Valley continues to experience health care provider shortages and remains a medically underserved area. This new medical school, with its intended emphasis on developing greater numbers of primary care doctors from the local area, will be well situated to enhance health care access for the surrounding community.

Please keep me apprised of the status of your application.

Thank you.

Sincerely,

A handwritten signature in black ink that reads 'Diana S. Dooley'.
